

# FREEDOM

*Tower Displays*

*"The Budget Friendly Case for Elegant Display"*

*Freedom Towers* give a refined and attractive appearance. Designed with an all tempered glass exterior with thin modular framing, they show off your highlighted merchandise at its best. Standard tower features include frameless doors with locks, and prewired halogen spot lights.

*Freedom Towers* are ideal for showcasing fine collectibles, jewelry, giftware, cosmetics and fragrances, and other merchandise that call for elegant display.
